

## Tribal EYPS training venues

At Tribal we aim to make EYPS training as convenient as possible for candidates within our allocated regions. We offer EYPS training from a growing number of venues throughout Greater London and the surrounding areas, so take a look at our training venue maps to see which are nearest you.

Please note that we must have viable class sizes in order to run training, so we can't guarantee that training will run from each venue at every intake. If we aren't running training at your preferred centre, we'll contact you to let you know of the alternatives.

We find <http://walkit.com/> really useful for directions if you'll be making any part of your journey on foot.
